# A PICTURE IS WORTH 2008 WORDS...

When you look back at your high school years, what do you remember? Do you remember playing your favorite sport for four years, the friends you made, the yearly Mat-ball tournament, or getting ready for prom? When looking back on these pictures, it will bring you back to that exact moment. Four years ago we left middle school and walked into Enfield High. Everyone compared schedules to see if we had any classes with our friends. We attended our first Homecoming and rooted for the Raiders to take down the Falcons at the Thanksgiving game. Three years ago, we entered the halls as sophomores; we acted like we ran the school, happy to no longer be freshman. We were cemented into this school by getting our class rings. Everyone one seemed to be celebrating their Sweet 16. Two years ago we became juniors, finally upperclassman status. Driver's Ed now filled our after school schedule and everyone was excited to learn to drive. We attended prom and danced the night away. And this year we entered the school as seniors. Finally, we were on top. As happy as everyone is, it seems everything has become "our last:" Our last homecoming, the last time we'll play a high school sport, or our last pep rally. Even though we were excited as we yelled out "08 Dominate!" we realized soon the end was near. Everything thing we did was preparing us for the end. We took our SAT's and tirelessly filled out college applications. With each acceptance letter, we're becoming a little bit closer to the fact we're moving on. In May, we attended our senior prom and celebrated. Now we are getting ready to graduate, sit for the last time with everyone. It is the last time we will all be together, recognized as the class of 2008. Everyone is excited about starting over, but sad about all the memories we will leave behind. The friends we made throughout high school are important now more than ever. Now we face having to say good-bye.

The theme of this year's yearbook is "A Picture is Worth 2008 Words." We want this to act as a scrapbook for all your high school memories

"I've heard it said, that people come into our lives for a reason, bringing something we must learn. And we are led, to those who help us most to grow if we let them, and we help them in return. It well may be that we will never meet again, in this lifetime. So let me say before we part. So much of me is made of what I learned from you. You'll be with me like a handprint on my heart. And now whatever way our stories end. Who can say if I've been changed for the better? But because I knew you, I have been changed for good."

# Yearbook Dedication

Mrs. Ceniglio -

Four years of laughs, tears, fights, break-ups, make-ups, and madness. What would all that be without the teachers to help us get through it? We, as the graduating class of 2008, have decided to honor one very special teacher, who has done everything she could to ensure that we all worked to our full potential. She has helped us, not only through our academic problems, but also through life's problems. Whether it was teaching us the Pythagorean theorem in geometry or inverse trigonometric functions in pre-calc, Mrs. Ceniglio has given her all to help us gain knowledge in the world of math, and also the world at large. Mrs. Ceniglio is not only caring about her students but she is compassionate about people in the community. Mrs. Ceniglio is one of the leaders of the community service club. She does everything from collecting canned goods for the Enfield food shelf to collecting cake boxes for less fortunate families to be able to celebrate birthdays. She teaches people to be good, caring human beings. So it doesn't matter if you've had her for a teacher, know her from the halls, or have talked to her when you just needed someone to talk to. Mrs. Ceniglio is bound to leave an impression in each and everyone of us. For that we would like to thank her. We know she has impacted our lives, and will continue to impact many more.

# In Loving Memory Of Matthew Lawrence Andrews

October 10th, 1989 - April 6th, 2007

Matt was known for having a giant smile and a heart to go along with it. He was the one that was full of life and stood out in a crowd wherever you went. He had a presence that would blow you away and could never be forgotten.

Matt loved to make people laugh whether it was with a funny face or a joke, he would have you laughing until your face hurt. Matt also loved riding his bike, hanging out with his friends, and listening to music especially Justin Timberlake. Yes, Justin Timberlake!

There aren't enough words in this world to describe Matt. He touched so many people's lives over the years and he will be missed by each and every one of them. Although Matt is not here with us physically he will remain with us in spirit now and forever. He will always be loved and missed by all. May you rest in peace Matthew.

## Homecoming Weekend

On homecoming night, students from all classes gathered outside around the annual bonfire. After, we packed inside the decorated gym for the homecoming dance. The DJ got everyone dancing to songs such as "Soulja Boy."

Enfield High's homecoming football game was an all out event.. Students and teachers came out to support the team. The EHS Raiders beat out RHAM with an awesome score of 28-0.

# Pep Rally

As the seniors stood out in the hallways waiting to be called down to the gym, they all received green leis and it finally hit them that they were seniors. Silly string and confetti flew everywhere as all the activities started to take place. Throughout the cheerleaders and dance team performing, the drum line and even one of the football coaches getting a mohawk all you could hear was "08 DOMINATE!". This year's pep rally was definitely one to remember.

# JUNIOR PROM

"Lights, Camera, Action!"

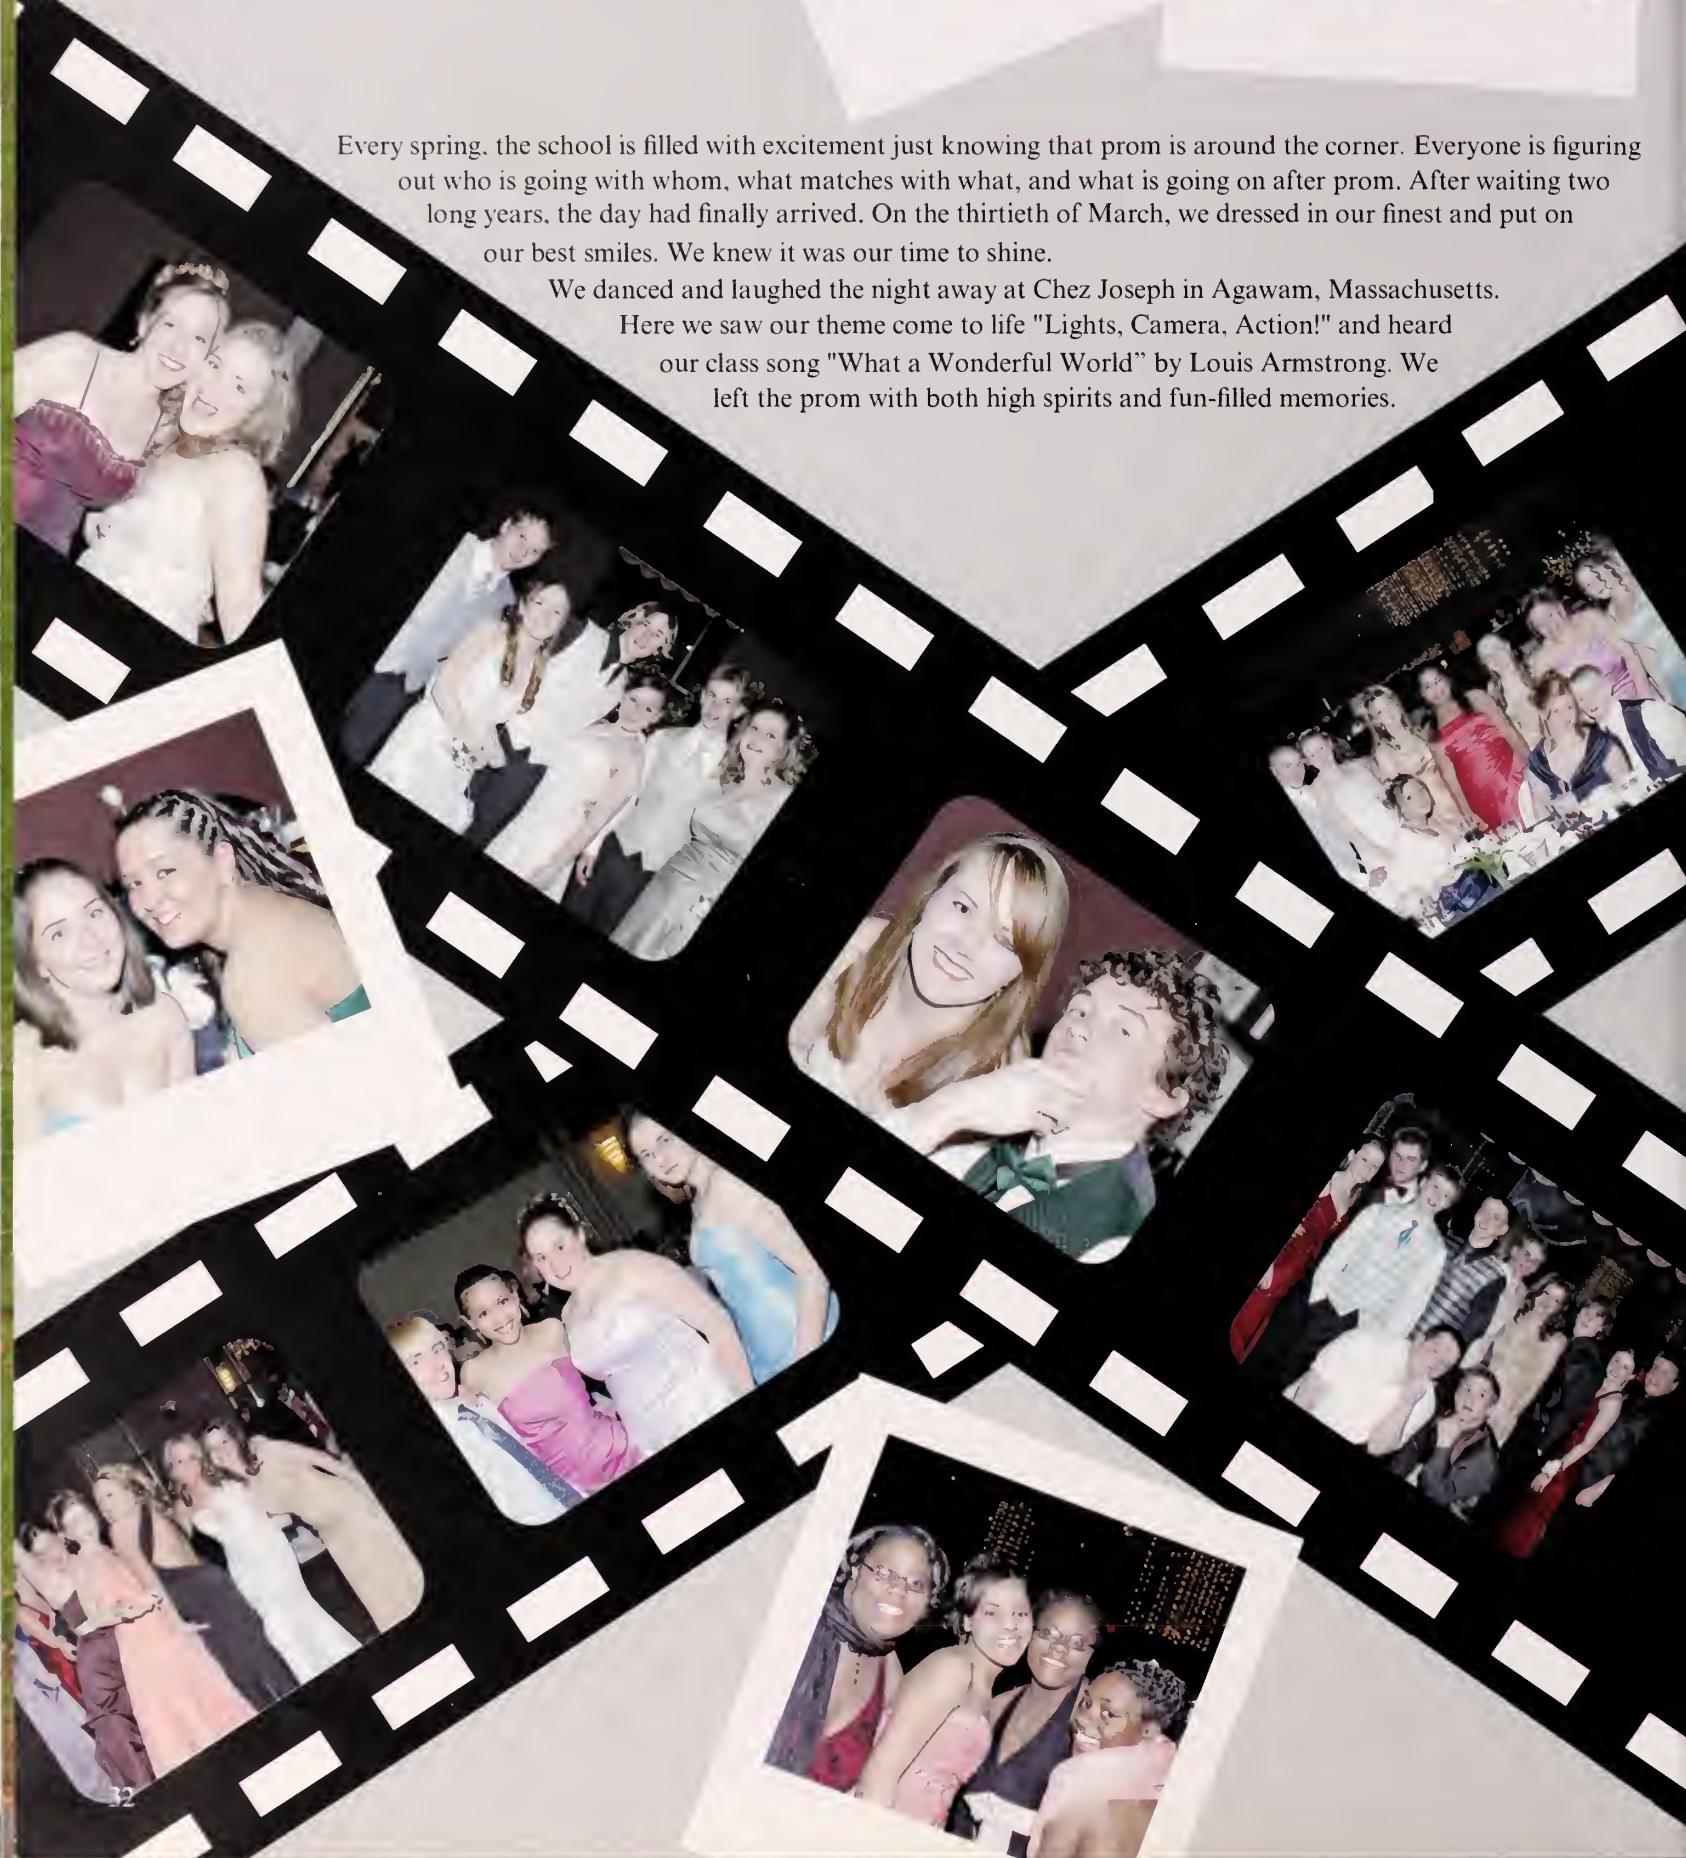

MARCH 30, 2007

Every spring, the school is filled with excitement just knowing that prom is around the corner. Everyone is figuring out who is going with whom, what matches with what, and what is going on after prom. After waiting two long years, the day had finally arrived. On the thirtieth of March, we dressed in our finest and put on our best smiles. We knew it was our time to shine.

We danced and laughed the night away at Chez Joseph in Agawam, Massachusetts.

Here we saw our theme come to life "Lights, Camera, Action!" and heard our class song "What a Wonderful World" by Louis Armstrong. We left the prom with both high spirits and fun-filled memories.

# Family and Consumer Science

The Family and Consumer Science Department is a great place to explore cooking, interior designing, career planning, parenting, and much more. With Ms. Jergens, and Ms. Berger, head of the department, this is sure to be a fun department. The cooking class prepares kids for a life long love of food. Cooking tasty treats like omelets and pies, it is sure to make you hungry. The Interior Design class teaches students the principles and elements of design. The students enjoy decorating the bulletin boards for the school, and taking a trip to IKEA. The career planning helps students learn how best to manage their money. The Parenting and Child Development Lab demonstrates the principles of early childhood and basic parenting. The main goal of the FACS Department is to provide important skills that students can incorporate into their everyday lives.

## P.E./Health

The Physical Education and Health Department has a group of teachers who are caring and compassionate! They teach their students how to weight lift properly, how to prevent certain diseases, and how to trust their friends in trust falls. There are many fun times in gym, and students actively participate in matball, badminton, baseball, ultimate frisbee, among others.

Mrs. Krusinski's Spanish class

Mrs. Dalpe's Spanish class is studying for the oral test.

The Enfield High World Language Department is responsible for countless cases of changed lives and unforgettable experiences. This department has been host to numerous exchange students from all over the world, including France, Spain, China, Germany and Thailand. Learning a second language is no longer a luxury, but rather, a marketable skill in today's global society. To respond to changes created by instant global communication American society requires an effective work force able to meet the needs of consumers who may not speak English. Whether searching for a career in business, medicine, academics, or any other area, knowing a second or third language is a definite advantage. Our World Language classrooms seek to prepare our students to communicate in the language while learning about the cultures inherent to that language. As global proximity increases, we want our students to develop a greater awareness of other peoples' world views, their way of life, their patterns of behavior and to be able to recognize the significant contributions that culture has made to world civilization. The department also offers opportunities to travel and to participate in field trips, such as State Latin Day, in order to enhance the world language experience.

"Spanish is a great language to learn because the world is becoming more and more bilingual."  
~ Wanakee Guthrie

"As a first year Spanish student, I really enjoyed the language and learning about the culture of Spanish speaking countries, and can't wait for the years to come!"  
~ Samantha Wages

"I enjoy Latin because I love learning about mythology, Roman history and a language that is the main roots of Spanish, French, and many other languages!"

# WORLD LANGUAGE DEPARTMENT

The teachers in the English Department always connect with their students and try new things. For example, this year the English teachers took students to visit Salem, MA. Teachers also use the technology in our Library and Media center to relate topics discussed in class to issues in real life. Discussions about literature abound in the classroom. With a variety of classes, from Writing in the Media to British Literature, students get to choose classes that suit their interests.

# Business and Marketing Department quotes

Mrs. Stone is eager to teach her marketing students.

Marketing provides students with an opportunity to learn competitive skills needed to retain employment and allows students to practice decision-making and leadership skills. Students acquire a foundation for higher education and work experience, and receive guidance in the development of ethical conduct, and competent work habits. Marketing students develop an appreciation of the dignity of labor and the importance of a job well done. Both DECA and FBLA clubs help students develop leadership skills and provide opportunities to experience meaningful relationships in learning communities at local, state, and national levels.

Brian Meyers, Ahmed Issa, and Sami Youssef are enjoying Microsoft Office 1 with Mrs. Arndt!

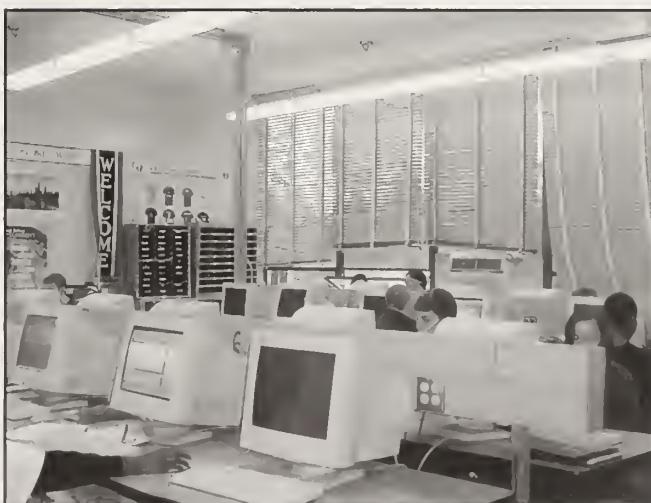

"I love to learn about all of the different businesses with Mrs. Jones in Business Concepts and Career."  
~ Samantha Orefice

"It's really fun to learn how to make web pages in Microsoft Office 1. It's a great class and I highly recommend it to everyone!"  
~ Rhiannon Nitch

"The thing about marketing, that sets it apart from any other - it's always interesting. As loud and rambunctious as it can be, it's fun. Always fun."  
~ John Worth

The Science Department wants students to be able to stretch their minds, in order to do labs, group projects and individual work. The Science Department offers an array of classes like Earth Science, the study of our planet and its surroundings. Biology, the study of cell structure and reproduction, Chemistry, a hands-on course of labs and demonstrations, and Anatomy and Physiology, the study of the structure and function of the human body on different levels. All of these classes are very interesting and are great for people who would like to explore a career in the science or medical field.

# Technology Department

Students in Auto enjoy a group photo together.

The Technology Department offers students an opportunity to learn hands-on technical skills. In wood shop, students are able to create many different products from a night stand to a book shelf. In drafting, tech students are able to use a Computer Aided Drafting (CAD) machine to make 2 or 3 dimensional drawings of houses or cars. Some of the other classes offered are Graphic Arts and Auto 1 and 2. The department is full of creativity and practicality!

## VARSITY

Experience was on the side of the Enfield High Boy's Soccer Team this season. The team's 14 seniors led the squad to its most successful record in years. After a 10-5-3 regular season the team lost 1-0 to the Seymour Seagulls in the second round of state. Five players were senior All-Stars, and two became All NCCC players.

The Girls Soccer Team had one of their best seasons within the past few years. They ended with a record of 6-8-3, and accomplished their initial goal of making it to the States Tournament. They played well together and worked hard during every game and practice with the help of their new coach, Todd Zinzack. They had one all conference player, Sara McMurray, but it was the combined team effort that gave the girls such a successful and rewarding season. They are a fairly young team, losing only four seniors - Jessica Blackwood and Lauren Bologna along with captains Holly Korona and Sara McMurray. Their seasons to come will surely be just as successful.

It was a long season for the girl's volleyball team. Despite the losses, they stuck together and came out strong. With only one win out of 17 games, they gave it their all and they were very close to winning many games. "This is the best team I have had in the past three years of being here," Coach Belisle said, "Just based on their communication and sticking together, they really stuck it out this year," she went on. The girls do have a special routine they perform before hitting the court. The girls come together and say "Bump-Set-Spike-Raiders-Huh!". The girls work for what they have because they participated in fundraisers, such as car washes, and the cookie dough fundraiser to raise money for their own apparel and gear for the team. Even though they haven't won as many games as they would have liked, their hard work and dedication has made them all a success in their minds.

This year like many others the Enfield High School Cross Country team grew as athletes as well as individuals. With every meet, the team grew more and more confident with their abilities to perform, and sought nothing but excellence! Backed by seniors Eileen Carmody and David Caldon, the team worked hard and had a great season.

The group is talking about their swimming strategies!

## GIRLS' SWIMMING

The Girls' Swim Team had a great season, even though their record may not show it. They battled a lot of injuries, but came through it as a team. Three swimmers from the team qualified for the Nutmeg League Championships in individual events. Captain Kristen Fitzsimons was the only Enfield High athlete to qualify for Nutmegs. Enfield - Somers also had four swimmers swim at the Class LL Championship where the team placed 20th.

The girls are supporting their teammates!

# CHEERLEADING

The Enfield High School cheerleading squad has achieved so much in this season. With our new coach and eight new freshman we managed to make to nationals in Florida for the third year in a row. We are fifteenth in nation, the best we have ever accomplished. To the graduating cheerleaders you will be greatly missed. You did a terrific job these past four years.

"You're not finished when you lose, you're finished when you quit." The Enfield High School Girl's Basketball Team may have had their share of losses but they never quit and that is what makes the team so great. With only two seniors, Jessica Blackwood and Sara McMurray, also the captains, the team was still young. They had many challenges to overcome this season such as playing almost all road games, losing their home court and never having a full, permanent place to practice. But even when things were looking bad they still played proud and that made them a stronger and better team. Jess and Sara will be missed but they know that the team will do great with all the young talent to come!

The Varsity Boys Basketball Team showed a lot of promise this season. Six players returned as seniors this year; Pat Carey, Tim Dyer, Sunny Oyeniya, Nick Blethen, Adam Loveday, and David Simon, joined by a seventh senior who was the manager April Archambault. With plenty of experience the team was confident they could surpass their competition. A great win against Fermi gave fans hope of returning to States and a chance of being champions like the season of '03. However tragedy struck Enfield High January 1st. A water main break flooded parts of the school including the gym. Now the team had to overcome the obstacle of no home gym advantage. But the team didn't let that get in their way and they made it to the Semifinals. They lost the game but showed their determination. Best wishes to the graduating seniors !

The Enfield High School Boy's Ice Hockey Team had an outstanding season, backed by the wonderful and talented seniors Jeff Marek, Jordan Fauteux, and Tyler Orszulak. The team definitely entertained the crowd with all the goals and checks to the opposing team! This year the hockey team made it to the States, but they unfortunately came short and lost the first game. We will miss all the graduating seniors and can't wait for the next season.

# WRESTLING

Year after year the Enfield High School Wrestling Team keeps getting better and better. Backed by the dedication of the seniors, Billy Bedrin and Josh Chambers, the other team mates and Coach Ramos, the wrestling team won many matches against area opponents. We are going to miss our seniors next year, and we hope for another great season.

# INDOOR TRACK

A day of track consists of a light jog, warm up, of what we call "dork drills" and a planned routine. Track has five different groups that work on their separate tasks during this time. The sprinters work on strides. The longer distances work on endurance and legwork. The throwers work on formation and arm strength in seeing how much further they can throw each day. There are the jumpers that work on leg jumps and formation and the pole vaulters who work on their formation and arm strength while using mats to support themselves. At the end of practice each day they go to the weight room. Meets are awesome, the whole team goes to the meets and supports one another as they race their hardest. They normally place in the highest categories and often make it to the finals. In the end, the highest scoring runners and field event participants go to the state championships. Over all their entire group is a very close bunch of students who always believe in one another and always do their best!

# Morning Announcers

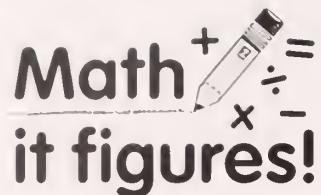

Robert Berriault and David Caldon

The Morning Announcers bring a happy spirit to EHS everyday. While they tell the updates, and announcements for our school, they bring about a sense of happiness to move through the day. They surely show what Enfield High School is really about.

# Math Club

The Math Club is home to students with a love, or mastery of the skills needed to be a math wizard. Every year they take a trip to compete against other teams as well as each other. The team will continue practicing, and hopes to better their skills for next year's competition.

L.A.R.P. is an acronym for Life Action Role Playing. The club focuses on medieval fantasy, combining combat, magic, and costuming. They meet to prepare their foam weapons for battle. Using the Realms Combat System, they organize a world other than their own, a world filled with fantasy, mythical creatures, and often, hostility. Fake hostility, of course. The Larping club idea caught on fast. What came from the dream of one teenage boy became one of the most powerful clubs in the school, one that soon shall tip the balance of the world, and save the world from the evil Sea Mage Atuna. The CT SPAIN Partnership program is celebrating our fifth consecutive exchange with our sister school I.E.S. Ribera de Castilla, in Valladolid, Spain. Students studying Spanish 4, 5 or 6 are eligible to participate in this program. In the fall, Enfield High School families hosted 21 Spanish students and their two teachers for three weeks. These guest students attended five classes and in the afternoons went on short excursions (like Deerfield, Sturbridge, Norman Rockwell museum and the governor's mansion) or participated in cultural workshops given by EHS teachers. On Saturdays they traveled to Boston, Mystic Seaport, and with a Project Oceanology class at UCONN, Avery Point.

On April, 15 students from EHS went to Spain where they attended classes at IES Ribera de Castilla, lived with Spanish families for three weeks, and went on excursions to Santander, Madrid, Leon, Salamanca, Segovia, and Peñafiel. They spent 4 days in Valencia before moving into their families in Valladolid. Some of the special workshops were salsa and jive dance lessons, art, math, and a historical site photo scavenger hunt throughout the city. Visiting the Renault car factory and meeting the mayor of Valladolid continue to be highlights, as well as the sports competitions and games. With the international and IM, students continue to maintain contact with their friends over the year. Many EHS graduates involved in the program continue to be in touch with their Spanish families and friends with a significant number having returned to visit and study in Spain.

The opportunity to live with a family in another part of the world has been an exciting adventure and life changing experience. One hundred and one Spanish students have lived in Enfield, and seventy five Enfield students have lived in Valladolid. The Spanish government helps to subsidize most of their trip, while EHS students must fundraise to help defray their own expense. One of the most memorable activities was collecting cans and bottles! The completion of a specially prepared journal is a requirement of the trip and one journal is selected to win a prize. Each year the students and teachers involved each cast one vote for the American student who best represents our school, town and country as an ambassador.

The EHS Thespian Troupe #5842 is chartered by the International Thespian Society as the honor society for Theatre Arts at Enfield High. A member must have 100 hours work in the EHS Lamplighters prior to being inducted. New members are inducted each spring. Members can continue to earn additional honors for every 100 hours of work that they complete within the theater or with other outside activities related to it. The Thespian Society is responsible for the Dinner/Mystery Theatre and the Children's Theatre productions each winter. In addition the Society is now in charge of the EHS Walk of Fame which was restarted this past fall with the creation of an online website. The Walk of Fame will eventually provide funds for the Thespians, other groups within the school and for scholarships.

# French Honor Society

The French Honor Society is made up of students who are very skilled in speaking French. Students need to have at least an A- or higher in French to be inducted into the program. The students are known to be fluent speakers in the language, and present themselves in a dignified, worldly manner.

# Senior Prom Committee

The Senior Prom Committee meets regularly to plan the Senior Prom, an event that is highly anticipated by the future graduates. The committee chooses a site, books a deejay and photographer, decides on a theme, colors, and song for the night. This team helps make senior prom the most memorable night of the seniors' high school career.

This year Mrs. Jensen and Mr. Gorborino were very pleased to have inducted twenty-three new members to the Edward J. Boland Chapter of the National Honor Society. In order for a student to become a member of this chapter they have to demonstrate four qualities: leadership, community service, character, and scholarship. The evening of induction was a special night for the inductees and their families as all their hard work and good deeds paid off.

Imagine spending endless hours working on something to make it as perfect as it can be. That is basically what explains Yearbook. The editors and members work sometimes until 2AM trying to make the 2008 Yearbook the best it could be. We definitely had a lot of laughs and good times. A lot of thanks goes to Miss Darin & Mrs. Bouchard for helping us along the way. Without them, this yearbook wouldn't be possible. Also, many thanks to Amanda Wages, Michelle Trzepacz, Samantha Calkin, Nikki Hebert, Brooke LaRoche, and all the other members that really made a difference in the yearbook. Whether it was taking candid photos, writing up paragraphs, or even making sure things are spelled correctly, we tried to make this yearbook as special as the memories that we have at EHS. This yearbook is not only dedicated to Mrs. Ceniglio but to the senior class of 2008. Congrats!

# Concert Band

The Enfield High Concert/Marching Band had a great start to the year and continued to play on until graduation. They brought excitement to every home football game by cheering and playing songs. They also had a busy year filled with events, including performing at the opening of the McDonald's on Elm Street and taking an inspiring trip to Boston for a concert band competition.

# Orchestra

The Enfield High Orchestra has prospered in ability and participation as well as their goal of becoming a full orchestra. This year they participated in the Festival of Music competition in Boston as well as the Enfield Spring Festival in April. They enjoyed performing in concerts with the orchestra and quartet along with attending performances by the Springfield and Hartford Symphonies. They hope to continue growing and moving forward in the following years.

## Jazz Combo D

**Back:** Mr. Bouchard, Paul Renouf, Ryan Leite, Cory Keshen, Luke Brunelle, Andrew Martin **Front:** Mike Rucci, Martin Caldon, Derek Crowley, Ryan Peterson

The EHS Jazz Program has continued its tradition of excellence in music by performing in local and state concerts. The Jazz combos and ensembles have been working hard. They are looking forward to performing at the Senior Center, Berkley College of Music, Western CT State University, and Holyoke Community College Jazz Festival. The Jazz combos and ensembles are also looking forward to their many concerts in Enfield this year at the high school, elementary schools, and senior center. They are going strong and getting ready for their next competition and are excited for what the next year holds.

# Quartet

A Quartet is an ensemble of four voices or instruments, each playing a separate part. This year the Quartet sounds terrific with seniors Peter Jones and Jordan Fauteux. Accompanying them is Miranda Francis and Mary Diproto. We look forward to hearing the quartet next year!

Peter Jones, Miranda Francis, Mary Diproto, Jordan Fauteux

# Chorus

Encore Chorus is singing and staying strong in its second year. Encore is a mixed male and female chorus that any student may take. It is led by Ms. Weed. The students performed a selection of Christmas songs, folk songs, and a piece from the Trans Siberian Orchestra in the winter show. They will be singing songs from the musical "Wicked" in June along with other concert pieces.

# Science Club

"Learning by Doing" is the motto of the Science department. Students involved in the Science Club program have been doing just that. This year, science club members have been involved in community projects, such as conducting field studies out on the Metcomet Ridge every Saturday. They also take field trips, visiting the science museums in Boston and New York City, kayaking down the Farmington River, hiking, completing shoreline studies through Project Oceanology and participating in a school wide Science Olympiad. All activities help prepare students to further their studies in science.

**Back row:** Mrs. Boucher, Christina McNeff, Katie Bielecki, Eileen Carmody, Jeremy Wyse, Hannah Etzer, Rebecca Donor, Adam Munch, Kevin Nelson **Front row:** Amber - Rose Spradley, Rosie Cnevale, Katrina Bores, Zachary Boucher, Nicholas Margolfo, Megan Haskell

# Unified Sports

This diverse group of students come together every year to celebrate their love of sports in a supportive and friendly environment. They play both soccer & volleyball. Though this year is hard to top, we hope for an even better season next year!

**Back row:** Danielle Skinner, Kristen Fitzsimmons, Stephan Kauffman, Koko Hewitt, Andrew Lacksher, Jason Nicholson, Steven Simmons, Tyesha Henry, Sue Fox, Mrs. Hansen, Mrs. McCann; **Front row:** John Rivera, Nick Margolfo, Edwin Collazo, Jeff Baker, Emma Parks, Sioban Murray, Ryan Flanagan, Jessica Bursztyn, Lacey Turcotte, Michael Butcher; **Missing:** Ahmed Hammad

# TV Production

The Television Production Club goes to Cox Studios in Enfield to learn how to shoot real TV shows. The first thing learned is how to work the cameras, audio, graphics, and to direct. We have actually produced some shows on our station PATV such as Karen's Corner and Changing Lives. It is really fun because we get to act as if we were a real camera crew at ESPN. We also go out in the field and tape sports and other activities. For example, we produced the Thanksgiving Day Football Game as well as the basketball tournament. Overall, the club is very fun and inspiring.

**Back:** Jason Nicholson, Jeremy Wyse, Nick Zeni, Mr. Robbins **Front:** Collin Nelson, Sean Tan **Missing:** Nick Parker, Quinten Sheff

# Peer Mediators

The peer mediators have been trained to help keep peace among other students. They solve any problems other students might have with one another. This program has been an effective way to prevent violence in Enfield High School.

**Back:** Molly Nute, Alyssa Meers, Anne Carlson, Cara Angeloni, Hannah Benoit, Michelle Patenaude, Alyssa Doner **Front:** Seth Price, Jeremy Bui, Eric Cormier **Missing:** Stephanie Marryat, Jack Sylvester

# Model U.N.

**Bk Row:** Mr. Crane, Chris Mancuso, Bryan Flanagan, Kristen Fitzsimons, Arianne Czer, Karen Reed, Christine Hurst **Front Row:** Danielle Linehan, April Archambault, Nole May

Once again, under Mr. Crane's expert guidance, the Model United Nations Club enjoyed another successful year. The EHS Model UN Club represented the United States of America at the State of Connecticut Model United Nations Assembly in January. Seniors Christine Hurst and Kristen Fitzsimons proudly served as officers at the assembly.

## Mr. Democracy's New Patriotic Song Band

**Back:** Mr. Crane, Mr. DeFilipi **Front:** Mr. Duffy, Jordan Fauteux, Emily Anyzeski, Alyssa Meers, Colleen Nelson

The ensemble has had another productive year. One of the year's major events was the performance for the "Northeast Regional Conference on the Social Studies" at the Omni New Haven Hotel on the campus of Yale University. Another highlight was the production of a Public Access TV program which was broadcast throughout Connecticut and some large cities such as Boston, New York City and Billings, Montana.

# Reconstructing the fields.

One major difference this year for the senior class was not being able to graduate on the football field. Every year since the school opened, the graduating class has made its memorable walk down the hill to receive their diplomas. This year however, the town decided to dig up the fields and reconstruct them. Many seniors were upset that we wouldn't be able to graduate at EHS. There was even a group run by Ashley Grady that petitioned to have graduation in the EHS parking lot. A 5-4 vote ruled against them and the Senior class would have to graduate at the First Cathedral Church in Bloomfield.

# SENIORS!

The young faces in these pictures represent a time when we, the Senior Class of 2008, were moving on with our lives, making new memories, & gaining independence that has become an exciting reality that once seemed so far away. Since freshman year we have counted down the days until graduation! Now as it is our year, we are excited, but somewhat nervous. The faces in these pictures remind us of the people we once were and still are, the friends we have grown up with and also whom we are graduating with. Surviving the last twelve years wasn't easy, but in that time we had some of the best experiences of our lives! Those times are what made it worth while. WE DID IT! CLASS OF '08, DOMINATE!

~ Deanna Alejandro

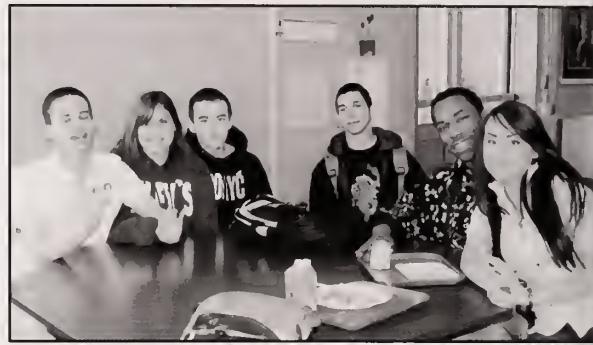

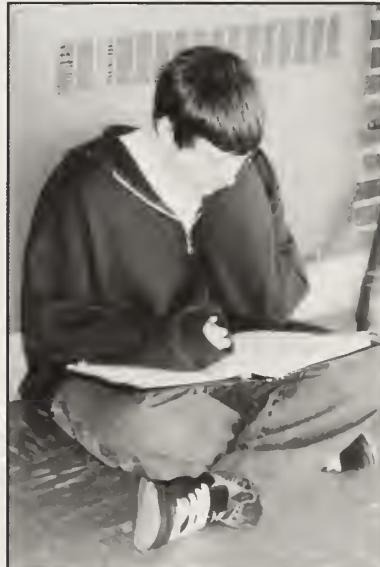

To everyone who helped with the yearbook. We want to sincerely thank all of you who helped do write-ups for the sports, clubs, and activities pages, for taking candid pictures for us, and buying messages for your friends and family. We owe a huge thanks to Ms. Darin and Mrs. Bouchard. If it wasn't for them then we would not have a yearbook. Thanks for all your help, with meeting the deadlines, proofreading everything, problem solving and most importantly for being an open ear. We appreciate all your time to help produce a quality yearbook!

# THE FLOOD AT EHS

Everyone was extremely excited for Winter break this year. Many students were leaving for vacation to celebrate Christmas with their families in different states. Many were excited to go snowboarding, and many were just excited to have more than a week off from school. But how quickly it goes and soon enough it was time to go back to school. We set our alarms and got ready to leave for the bus. But right before many of us left for school, the morning news reported that school for Enfield High has been canceled due to a water main break. Most of us were excited because we got to prolong our break, but it soon became evident that the disaster spelled trouble for our school. The water flooded the gym, auditorium, A-wing, and the basement. We kept seeing Enfield High School on the news and we wanted to learn more about what was happening to our school. Day by day many of us sat by the TV in hopes of gathering information. The flood led to a fire in the basement and the gym and auditorium floors were completely ruined. The damage uprooted the whole school. Both boys and girls basketball players would not be able to have any more home games. Mr. Barnes's Teen Leadership classes had to be moved because the water main break happened right under the floor of his classroom. The gym was off limits so, we had nowhere to play matball, badminton, or dodge ball. The auditorium was damaged so there would be no more band concerts or plays. What at first seemed like a joyful and relaxing extension of our Winter vacation turned out to be an inconvenient and upsetting return to school. Hopefully next year's Winter break will be less eventful, and much drier!

Rachael, from what you've taught me. I want you to know I've become a stronger and better person.

Brendan McLaughlin

Congratulations Jason. We are extremely proud of you. Always stay positive and prayerful and you will achieve great things.

Love you, Mom and Dad

Nicole Morin - Good luck with the rest of high school. Thanks for being my best friend possible and tons of good memories, like driving around, the penny on Matt's back, mini golf, and sleepovers. Without you, this year wouldn't have been half as fun. I hope you have as much fun in high school as I did. You're like my sister. Can't wait till the Summer! Always remember - don't make eye contact.

Nikki Hebert

Amanda, I wish you the best of luck in college, and remember my ladder will always be higher than yours. But I love you.

Always and forever, your sister, Samantha

Hilary, you're the most amazing friend ever! I seriously don't know what I would do without you especially with crazy friends like ours. We've been through so much together. Thanks for everything : ] Michelle

Pliszka Twins, Thank you so much for always being there to cheer me up even when it seemed impossible. You were the only ones who supported slurps every game and you always loved me. Karen: you are an extraordinary girl. You are beautiful, talented and hilarious, so please stay confident in everything you do because you absolutely are wonderful. Sara "Tom": Tom you are my hero. You always worked hard and stayed confident. You are the best female athlete I've ever met and I'm so proud to have been your team-mate. I love you Tom and Karen and I will miss you more than you know! So come visit me, love you!~ Jessica Blackwood

## Graduation is just the start of your education.

Congratulations, graduate. You're in the real world now. Filled with big choices and heavy-duty decisions. You're about to discover that learning is a lifetime pursuit—whether it occurs in college, on the job, or through life experience.

So start out right. Make a financial decision you can live with for a lifetime. If you are not yet a 360FCU member, become one today. You and your family\* are all eligible to join. And we're right there in your school. Then you can handle what lies ahead, because we'll be there to back you up—with inexpensive loans, better ways to save, more convenient financial services.

So make 360FCU membership the graduation gift you give yourself. And take your next step with greater confidence.

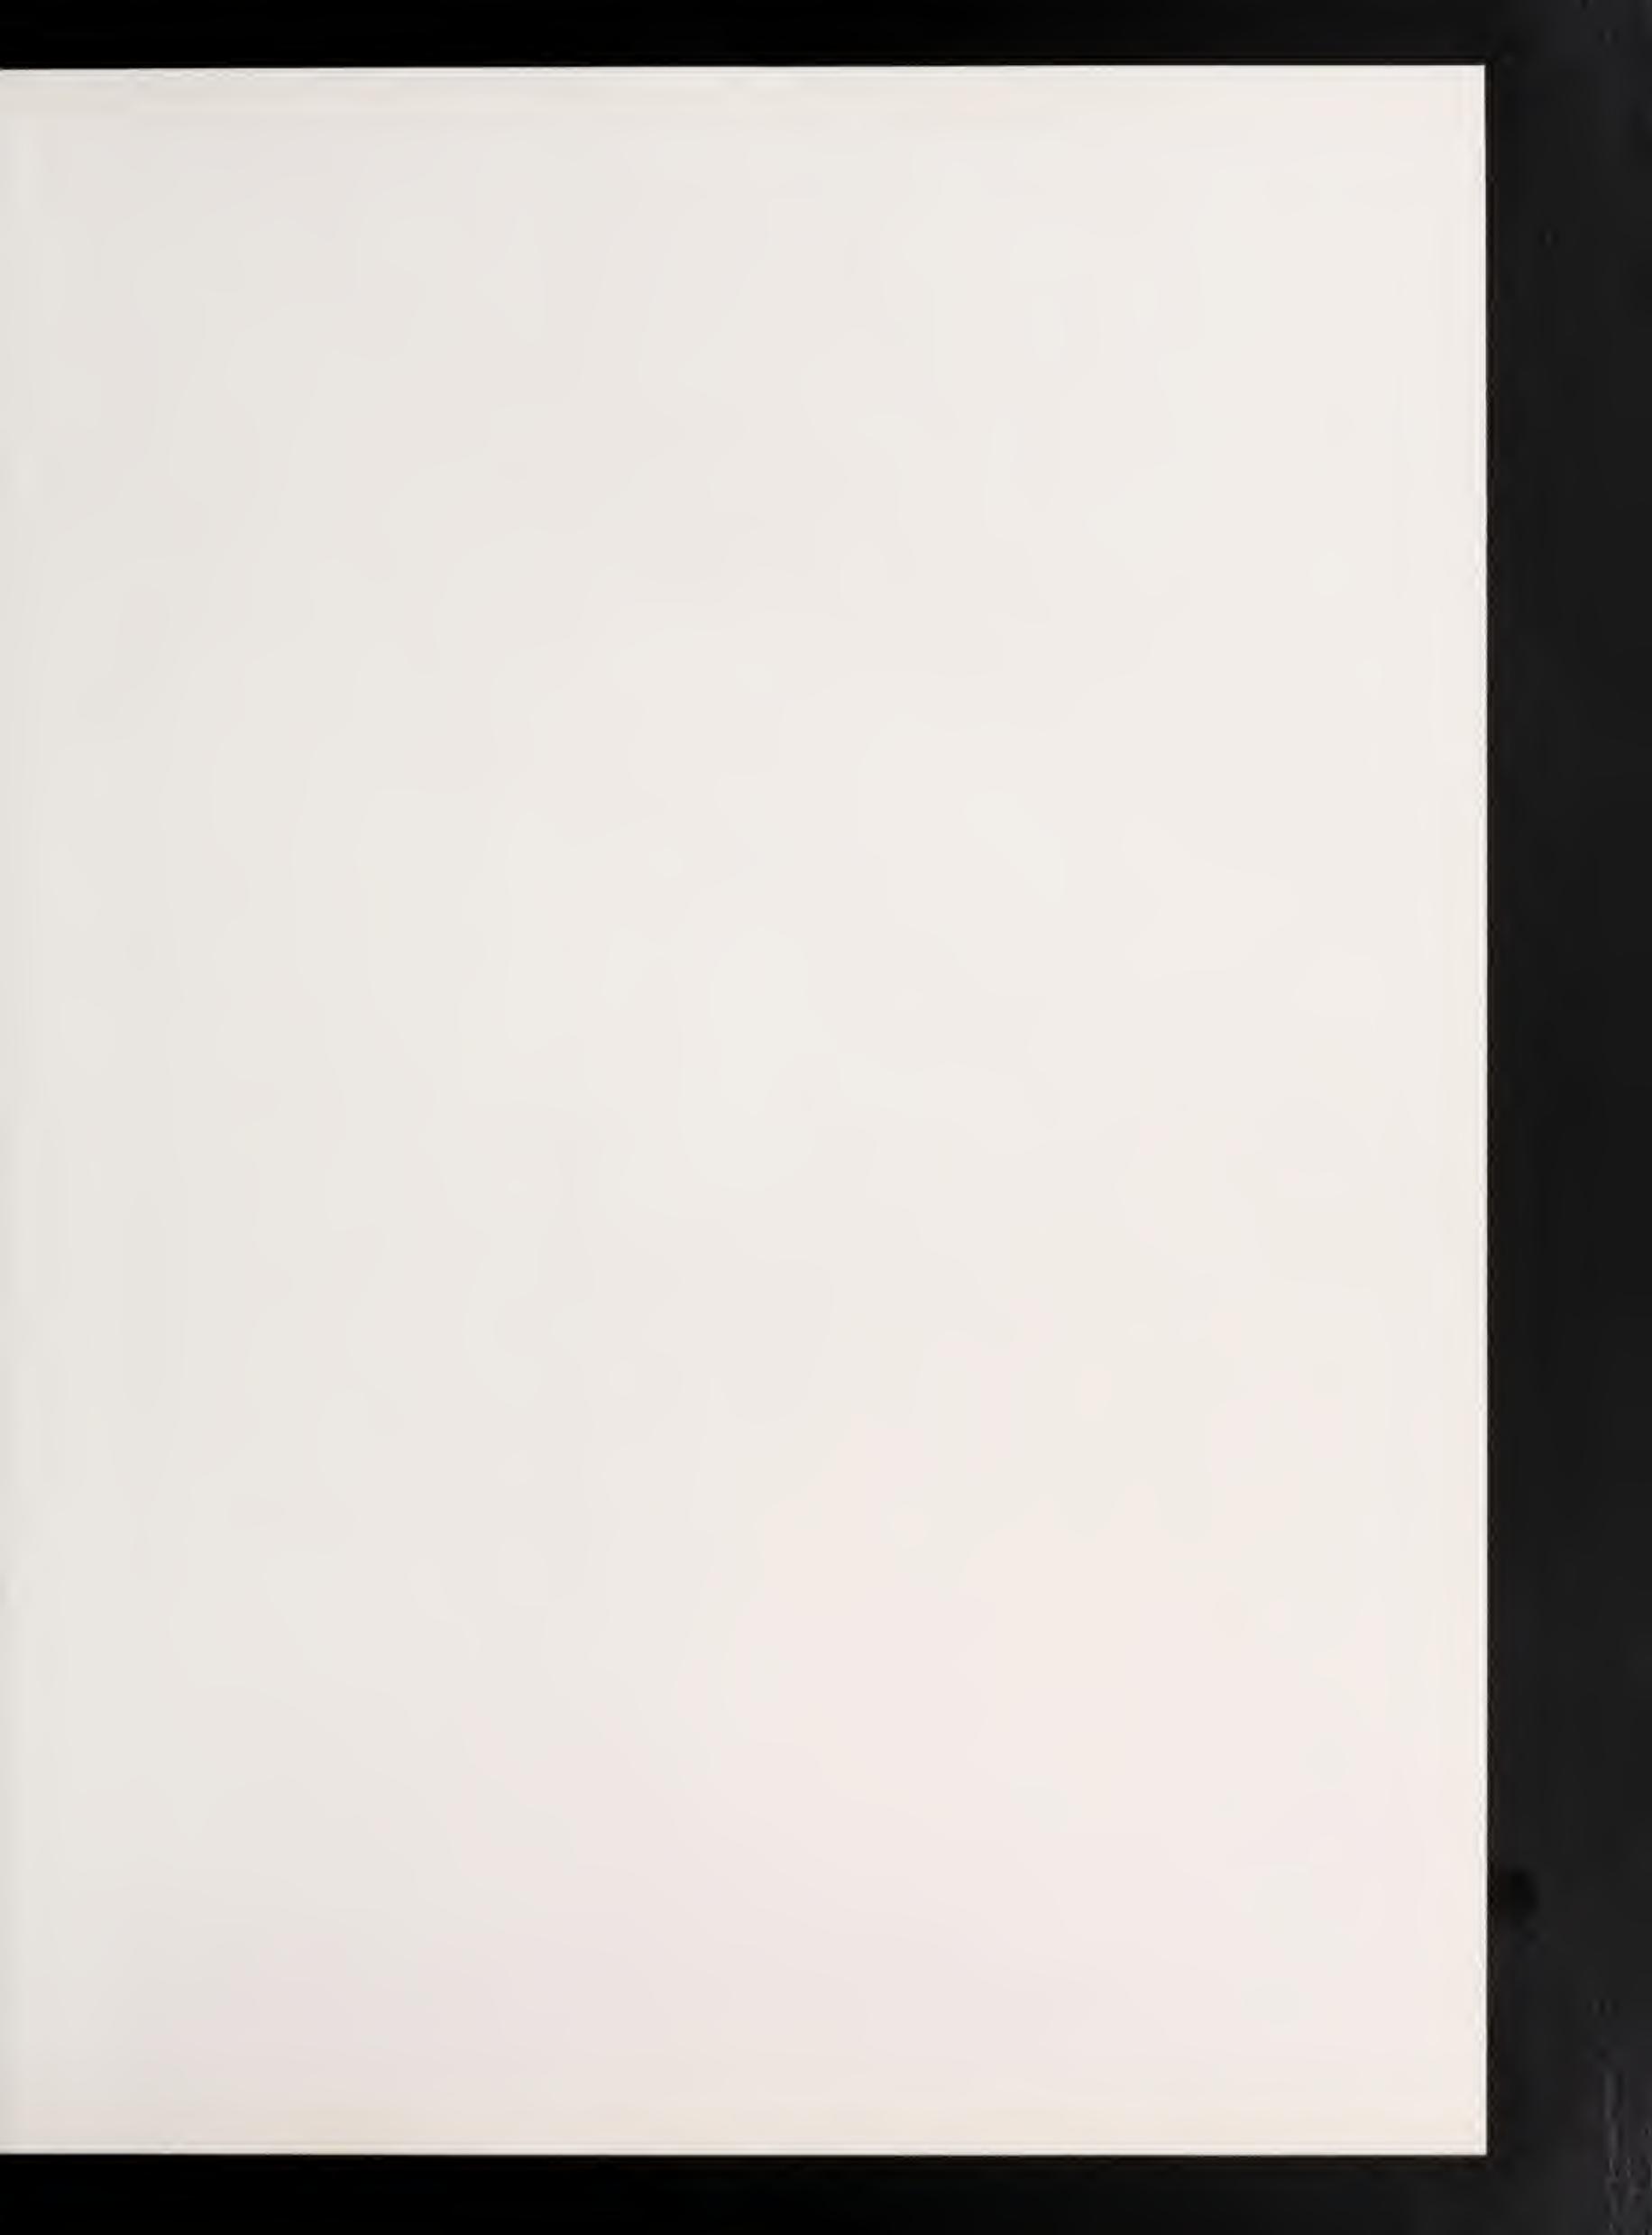

\* Family members may include: spouse, child, sibling, parent, grandparent or grandchild, stepparents, stepchildren, stepsiblings and adoptive relationships

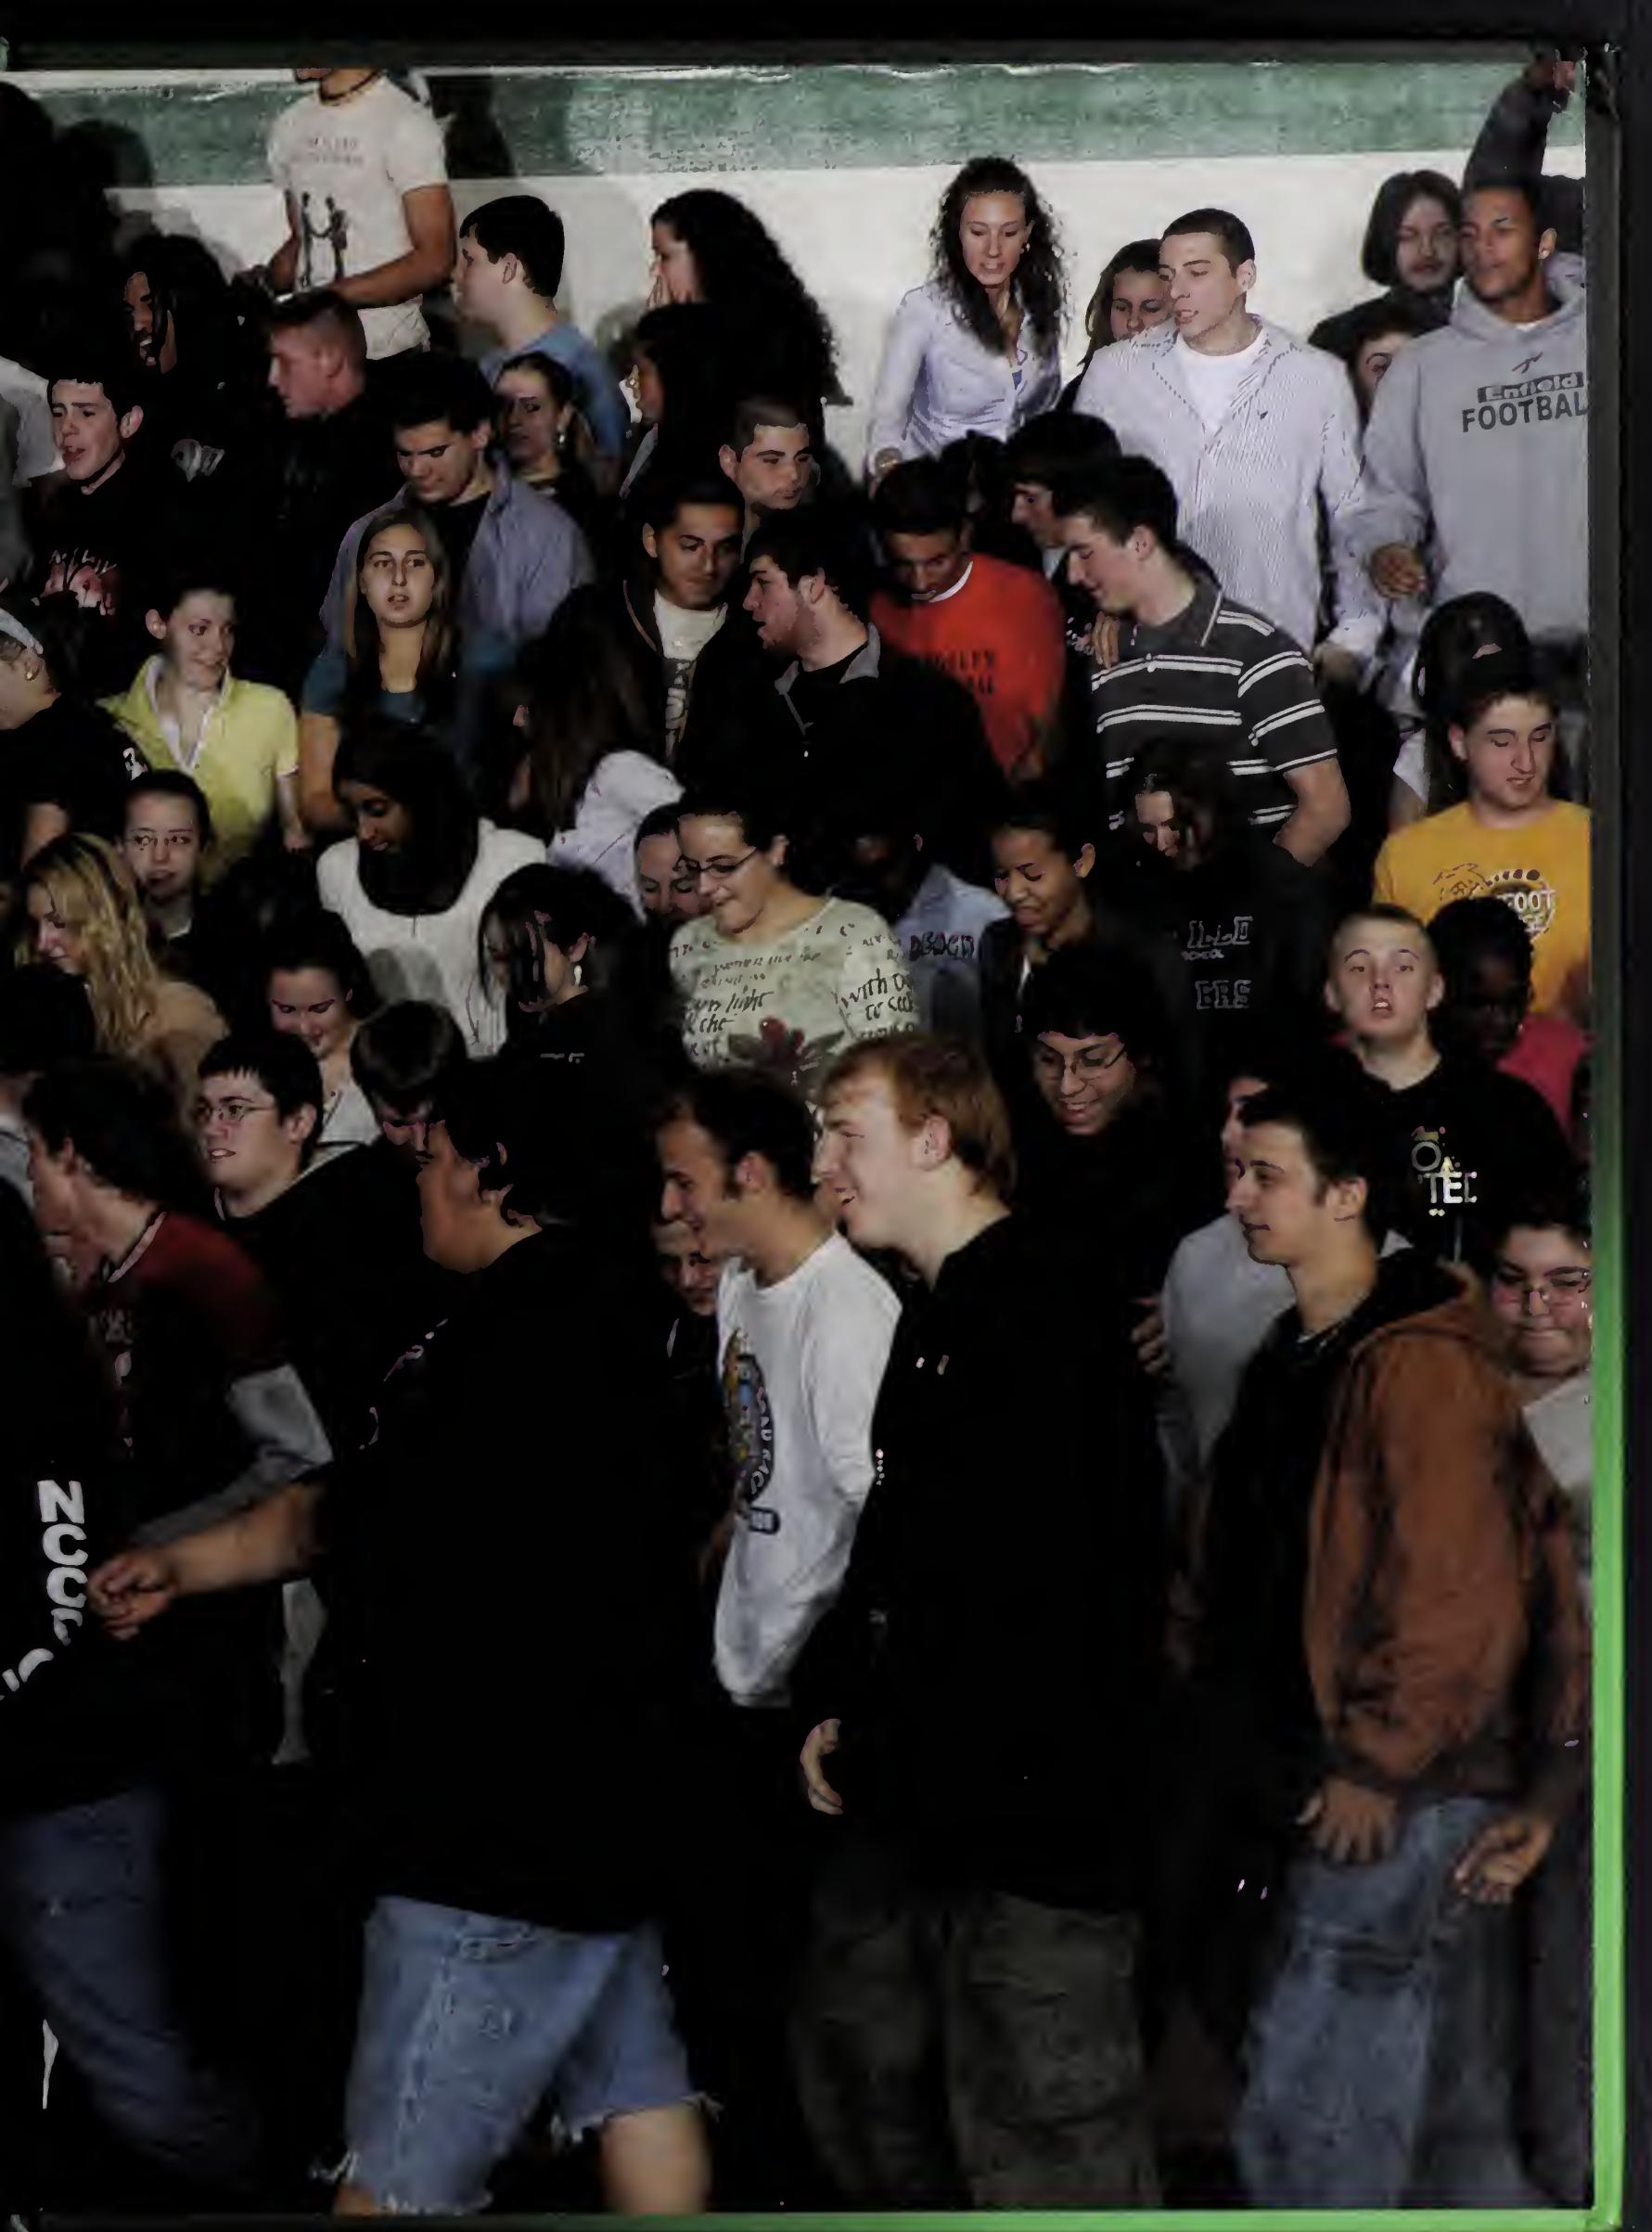

Graduation is not the  
end, it is just the  
beginning.
